Re: Jack's Creek/Sitkin Smelting NPA Site (the "Site")
De Minimis Settlement

Dear Mr. Hosford:

It has been brought to my attention that Gould Electronics Inc. is no longer considered a de minimis party at the site, but instead has been re-classified as a de micromis party. As such, could you kindly return or confirm destruction of the executed De Minimis Consent Order signature page that was signed on behalf of Gould on September 27, 1994.

Once your office has finalized a De Micromis Consent Order for the Site, please send a copy to my attention for execution.

Should have any questions, please contact me at 216-953-5142.

Sincerely,

Lawrence W. Mitchell
Associate Counsel
